November 30, 2029). Details are described in the Information Brochure and Local Supplement. Full terms and conditions applicable to the grant are provided in the Free Share Plan Rules available on the Shares4U 2026 offer website.

I acknowledge that upon vesting, Free Shares will be delivered and held in FCPE Valeorizon, which will issue me a corresponding number of units. I will be able to redeem these units at any time.

OVER-SUBSCRIPTION

- **I have noted that if the requests for subscription submitted in the Shares4U 2026 offer exceed the ceiling fixed for this offering, the amount of my subscription may be reduced in accordance with the rules described in the information brochure and regulations of FCPE Shares4U Relais 2026.**

PAYMENT DEFAULT

In the case of default on payment, I will remain liable to Valeo or my employer for the amount of my subscription. Nevertheless, I acknowledge and expressly agree that Valeo may, subject to applicable legislation, request redemption of my FCPE units and use the proceeds in order to cover the amount that I owe on my subscription. If the proceeds are not sufficient, I will remain liable for the outstanding balance.

In the event my payment is insufficient and does not correspond to the amount of my subscription request, Valeo may also decide to process my subscription for the reduced amount corresponding to my payment.

Alternatively, Valeo reserves the right to cancel the subscription request without notice.

PAYMENT IN INSTALMENTS

If I opted for payment in instalments, the balance of any outstanding amounts will become payable immediately in the case of:

- termination of my employment contract before payment of the last instalment, in which case I expressly authorize my employer to deduct the balance of any outstanding amounts from my last salary or termination indemnities. If this is not possible or not sufficient, I hereby undertake to make a request for early redemption due to termination of my employment contract in order to reimburse the outstanding portion of the subscription amount;
- early release of all or part of my investment, in which case I expressly authorize my employer to recover the balance of any outstanding amounts from the redemption proceeds.

ACKNOWLEDGEMENT OF CONDITIONS

I understand that through this offer, I am investing, via the FCPE in Valeo shares listed on Euronext Paris. The value of my investment will be linked to and fluctuate with the market price of the Valeo shares.

My decision to participate in the Shares4U 2026 offer is entirely voluntary. My decision will have no impact on my employment with the Valeo Group. Participation in this offering is separate from and does not form a part of my employment agreement. It does not confer any rights to entitlements in relation with my employment, including upon termination.

Neither this form nor any other documents provided to me in the context of the Shares4U offer confer any rights or claims in relation to future offers.

I have noted the tax consequences that may result from my participation in the Shares4U 2026 offer and accept full responsibility for these consequences. In particular, I acknowledge that I am liable to my employer for all amounts that it might pay on my behalf. My employer may, subject to applicable laws, deduct such amounts from my pay or any other amounts due to me and/or may order the sale of all or part of my Free Shares or FCPE units and withhold the amounts owed by me from the proceeds.

WARNING

Unit holders are hereby informed that FCPE Shares4U Relais 2026 is intended to be invested in shares issued by Valeo in a capital increase, which is expected to take place on November 18, 2026.

Following the subscription to the share capital increase, FCPE Shares4U Relais 2026 will be merged with FCPE Valeorizon, a fund that is almost exclusively invested in Valeo shares, subject to the approval of the Supervisory Board (*Conseil de surveillance*) of FCPE Shares4U Relais 2026 and the approval of the French financial markets authority (*Autorité des marchés financiers* – AMF). Using this temporary FCPE allows subscribers to the share capital increase to benefit from the discount prior to the merger with FCPE Valeorizon.

Given the concentration of risks of the portfolio of FCPE Valeorizon in the securities of the same issuer, the AMF recommends that each subscriber evaluates the need to diversify the risks of their financial investments as a whole. Subscribers should note that the FCPE's net asset value will be closely linked to Valeo's future financial performance and results.

Valeo's latest Universal Registration Document (*Document d'Enregistrement Universel*) and financial reports, which contain important information on the activities, strategy and financial results of Valeo, as well as the risks related to investment in shares of Valeo are available at www.valeo.com.

If you have already participated to Shares4U in prior years, and have provided a professional address, we strongly recommend that you change it to a personal address by connecting to <https://www.amundi-ee.com/account>, so that you can still be reached if you leave the Valeo Group.
