Acknowledgement of conditions

The recommended subscription method is online at shares4u.valeo.com
If however you wish to use this form, it should be returned to

If sent by post-mail, it is recommended to return a few days earlier, to be received before the 29th of September.

GENERAL CONDITIONS

I understand that through this offer, I am investing, via the FCPE, in Valeo shares listed on Euronext Paris. The value of my investment will be linked to and fluctuate with the market price of the Valeo shares.

Although I pay the amount of the investment in Turkish Lira, the subscription of Valeo shares is undertaken in euros. During the life of the investment, the value of my assets will be affected by fluctuations in the exchange rate between the euro and my local currency – Turkish Lira.

My decision to participate in the Shares4U 2026 offer is entirely voluntary. My decision will have no impact (either positive or negative) on my employment with the Valeo Group. Participation in this offering is separate from and does not form a part of my employment agreement. It does not confer any rights to entitlements in relation with my employment, including upon termination.

Neither this form nor any other documents provided to me in the context of the Shares4U 2026 offer confer any rights or claims in relation to future offers.

I have noted the tax consequences that may result from my participation in the Shares4U 2026 offer and accept full responsibility for these consequences. In particular, I acknowledge that I am liable to my employer for all amounts that it might pay on my behalf. My employer may, subject to applicable laws, deduct such amounts from my pay or any other amounts due to me and/or may order the sale of all or part of my Free Shares or FCPE units and withhold the amounts owed by me from the proceeds.

Warning

Unit holders are hereby informed that FCPE Shares4U Relais 2026 is intended to be invested in shares issued by Valeo in a capital increase, which is expected to take place on November 18, 2026.

Following the subscription to the share capital increase, FCPE Shares4U Relais 2026 will be merged with FCPE Valeorizon, a fund that is almost exclusively invested in Valeo shares, subject to the approval of the Supervisory Board (*Conseil de surveillance*) of FCPE Shares4U Relais 2026 and the approval of the French financial markets authority (*Autorité des marchés financiers* – “AMF”). Using this temporary FCPE allows subscribers to the share capital increase to benefit from the discount prior to the merger with FCPE Valeorizon.

Given the concentration of risks of the portfolio of FCPE Valeorizon in the securities of the same issuer, the AMF recommends that each subscriber evaluates the need to diversify the risks of their financial investments as a whole. Subscribers should note that the FCPE's net asset value will be closely linked to Valeo's future financial performance and results.

Valeo's latest Universal Registration Document (*Document d'Enregistrement Universel*) and financial reports, which contain important information on the activities, strategy and financial results of Valeo, as well as the risks related to investment in shares of Valeo, are available at www.valeo.com.

If you have already participated to Shares4U in prior years, and have provided a professional e-mail address, we recommend that you change it to a personal e-mail address by connecting to <https://www.amundi-ee.com/account>, so that you can still be reached if you leave the Valeo Group.
